Hull August 22nd 1868

Quite an event in the history of Hull took place today. Since the year 1815 the town has been without a Bell, (with the exception of a small ~~one~~ Bell presented a few years ago by Mr Baker of Milton which the town did not see fit to erect.) Some of the Summer visitors, missing the customary summons to Church, got up a subscription for the purchase of a Bell of sufficient size to be heard all over the village. The authorities of the town also concurring, by having a Belfry built wherein the Bell is to be hung at 5 o'clock P.m. The exercises commenced with singing and prayer. Then Dr Godman of Boston in behalf of Mr Earle, Lea Reed and other donors presented the Bell to the town the Church the Sabbath School and Public School for the benefit of the Inhabitants of the town and visitors of Hull. It was received in their behalf by Rev L. M. Beal of No Cohasset but officiating clergy of Hull. Rev J B Gould of Bangor native of this town followed with prayer and a few appropriate remarks and the exercises were closed by singing Mr P R Southwick of Boston one of the Summer residents feeling that he should have an opportunity to subscribe to the bell, gave a fine name to surmount the Belfry.
